

PRAYER LETTER

July 2025

"And now these three remain: faith, hope, and love. But the greatest of these is love." (1 Corinthians 13:13)

All praise and gratitude we offer to our Lord Jesus Christ, the true source of love, for His constant guidance throughout the journey of IOTA's ministry. The Word of God in 1 Corinthians 13:13 reminds us that no matter how good or numerous our programs may be, it is love that must be the foundation and core of every ministry. Love purifies and strengthens our service. Without love, ministry can be driven by personal ambition, pride, and even spiritual arrogance. Therefore, we continuously learn and strive to serve with the love that comes from Christ Himself.

Love frees us from false motives and enables us to serve sincerely. The apostle Paul emphasizes the importance of faith, hope, and love in the life of every believer, and among these, love is the greatest. We long to keep growing in love so that our service may not only bear external impact but truly become a channel of God's love to those we serve.

With a grateful heart, we testify that the ministry of IOTA continues to run well by the grace of God. We express our deepest gratitude to all the friends of IOTA—our faithful intercessors and supporters—for your unwavering commitment, support, and prayers. Your involvement strengthens and encourages us to keep walking in the vision God has entrusted to us.

We also give thanks to all contextual workers who have served with diligence and sincerity in the love of Christ. Ministry is never a one-person task, and we are truly thankful for each person God has placed in this field of service.

One of the major developments that God is currently revealing through IOTA is the rebranding of our outreach ministry through education, especially with Paddyseeds, a school for children with special needs. This reflects our commitment to the unreached education—those who have long been neglected by mainstream education systems. With the vision to "Bring Good News and Good Education to the Unreached," we long to provide quality education and the hope of Christ to every child, especially those who are often overlooked. We continue to seek God's wisdom as we move forward in this vision.

We also ask for your prayers for the development of our Business as Mission (BAM) initiatives through the establishment of PT H.O.P.E (Hasta Optima Persada Enterprise) and PT PMA L.O.V.E (Legacy Optima Vanguard Equity). These entities are being developed to expand and stabilize the financial capacity that supports the broader mission and sustainability of IOTA's ministries. In closing, all glory be to our Lord Jesus Christ. May His love continue to cover and enable us all to remain faithful to the calling He has entrusted to us.

**With love and respect,
HK**

Giving thanks to God for His grace that always surrounds our lives. Praise God that our ministry in July could focus more on Ngabang Church. Thank God there were 10 people who confessed to believe in Jesus and were baptized on July 6, 2025. During the ministry until now, we have experienced challenges in the health aspect, especially Genesis and Mrs. Rindang who have been coughing for a long time. But we are grateful that we can still carry out all activities smoothly. Praise God we can pass the challenges well. Thank you IOTA for supporting our ministry.
